YLU Your Local Telecom

Why Choose Us?

We supply the best networks, backed up with our unbeatable personalised service, delivered without any contracts while supporting your local community.

One Bill

We're a full service telecommunications provider meaning we can provide all your communications on one single bill. So that's one simple payment per month and one company to deal with. Just makes life simple.

Direct Contact

When you're with us you'll have our direct contact details so if you've got a question you know who to come to. It's the kind of personal service the big telcos just can't offer. Their loss, your gain.

No Minimum Term Contracts

We back our level of service with our no minimum term contract guarantee. This gives you the flexibility to change between different plans and services at any time without any fees as well as giving you the comfort that you can switch service providers at any time without early termination fees.

A Communications Partner

We believe in being a valued partner to our clients by offering honest and straightforward advice. We don't make the sale and run, we're here to stay, and we're here to do whatever we need to keep you happy.

Supporting your Local Community

Support a local community organisation of your choice by taking advantage of our unique community program whereby we will donate 2% of your total spend to the club or organisation of your choice. We already sponsor many sporting clubs through our community program and are always looking to sponsor many more!

Things You Should Know

1. All prices quoted are inc GST. 2. Total minimum commitment over 24 months is as follows; (12Mb/1Mb) \$104.95, (25Mb/5Mb) \$109.95, (25Mb/10Mb) \$114.95, (50Mb/20Mb) \$119.95, (100Mb/40Mb) \$124.95. 3. Offer only available to customers who take up full service fixed line (including long distance and calls to mobile services) 4. Customer Service Guarantee - You agree to waive the Customer Service Guarantee (CSG) when taking this service. If you do not choose not to waive your rights under the Customer Service Guarantee, we cannot provide you with this service. 5. Plan is available using either the NBN Co UNI-V port (Analogue Voice) or via a UNI-D port using the Home Network Gateway supplied by us. (Voice) 6. Analogue Voice is not available in Fixed Wireless areas. 7. If you select the Voice service, it does not provide for continued telephone or data service operation in the event of a power failure or if the power is switched off at, or disconnected from, the power point. 8. Dishonoured direct debit payments may incur a charge. 9. Fair use policy applies to included call usage and Acceptable Usage Policy applies. 10. There is no Early Termination Fee for this service, however you must provide 30 days' notice to us to disconnect a service. 11. We will deliver your service to the Network Boundary Point at your premises, which is defined as the physical port or 'UNI' on the NBN Network Termination or port on the Home Network Gateway if selected. The cabling that is required in your premises beyond the Network Boundary Point is your cost and responsibility, as is the provision of a suitable 240V AC power outlet. 12. You must obtain the consent of the property owner to have the NBN installation performed. 13. The installation will be performed during business hours, and you will need to be home to provide access for the installation technicians. If you select to take the Home Network Gateway and choose the Professional Installation option, a second appointment will be required. 14. A single static IP address is provided which may be changed due to technical and operational reasons by providing 30 days notice. 15. Speeds are theoretical maximum speeds. Actual speeds may be less due to a number of factors including but not limited to, network configuration, line quality & length, customer premises interference, traffic, hardware and software. 16. Data Allowance each month includes both Upload and Download traffic for that billing period and quota not used in a month is not carried forward to the next month. 1 Gigabyte = 1024 Megabytes. 17. If you have chosen a shaped plan, once you have reached your usage allowance, the speed of your service will slow to 256kbps. 18. If you have chosen an unshaped plan, excess data used will be charged at \$2.50 per GB in 1 Megabyte Increments. 19. Priority Assistance is not available with this service.
