

# IP Line Business Broadband

## Value for Money Business Grade Broadband

- ✓ Business Grade Service Level Agreement with Uptime Guarantee of 99.9%
- ✓ Excellent coverage
- ✓ Static IP Address for Networking
- ✓ 24 x 7 Technical Support with Experienced Engineers
- ✓ Powered by robust AAPT Ethernet network
- ✓ Symmetrical upload and download to support business use

### Reliability and affordability

Powered by exceptionally robust AAPT Ethernet network. Availability, simplicity, and consistency have established Ethernet and IP as the communications technologies of choice across many enterprises and small businesses today.

### Flexible range of symmetric speeds and great coverage

IP-Line can offer a variety of flexible bandwidths, from 2 to 40Mbps\* and is available for businesses located in metropolitan areas of Brisbane, Melbourne, Sydney, Adelaide, Canberra and Perth, as well as many regional centres.

### Ideal for today's cloud-based services

Businesses are increasingly using cloud-based business applications like online CRM tools, use of these services requires a secure reliable and synchronous high-speed connection is critical. Mid-Band Ethernet provides the ideal access for many of these cloud-based services.

IP-Line using Mid-Band Ethernet provides the ideal Internet access for many of these cloud-based services.

Your Local Telecom

# Why Choose Us?

We supply the best networks, backed up with our unbeatable personalised service, delivered without any contracts while supporting your local community.

---

## One Bill

We're a full service telecommunications provider meaning we can provide all your communications on one single bill. So that's one simple payment per month and one company to deal with. Just makes life simple.

## Direct Contact

When you're with us you'll have our direct contact details so if you've got a question you know who to come to. It's the kind of personal service the big telcos just can't offer. Their loss, your gain.

## No Minimum Term Contracts

We back our level of service with our no minimum term contract guarantee. This gives you the flexibility to change between different plans and services at any time without any fees as well as giving you the comfort that you can switch service providers at any time without early termination fees.

## A Communications Partner

We believe in being a valued partner to our clients by offering honest and straightforward advice. We don't make the sale and run, we're here to stay, and we're here to do whatever we need to keep you happy.

## Supporting your Local Community

Support a local community organisation of your choice by taking advantage of our unique community program whereby we will donate 2% of your total spend to the club or organisation of your choice. We already sponsor many sporting clubs through our community program and are always looking to sponsor many more!

---

## Things You Should Know

1. All prices quoted are inclusive of GST. 2. IP Line Speeds are theoretical maximum speeds based on AAPT tests. Actual speeds may be less due to a number of factors including network configuration, line quality & length, exchange type, customer premises interference, traffic, hardware and software. 3. Unlimited usage will not attract any excess fees. 4. Static IP address provided. 5. Network Uptime guarantee of 99.9%. Rebate calculated as 1 day of service access fee credited for each hour of network downtime over and above the guaranteed level. Network downtime does not include faults in the underlying service from the exchange to the customer premises or any faults in the customers own network. Rebate must be claimed using our Standard Rebate Application Form within 3 months. Rebate will be applied as a credit against your bill. Maximum rebate available is the minimum monthly charge for the service. 6. Acceptable Usage Policy Applies.
