Why Choose Us?

We supply the best networks, backed up with our unbeatable personalised service, delivered without any contracts while supporting your local community.

One Bill

We're a full service telecommunications provider meaning we can provide all your communications on one single bill. So that's one simple payment per month and one company to deal with. Just makes life simple.

Direct Contact

When you're with us you'll have our direct contact details so if you've got a question you know who to come to. It's the kind of personal service the big telcos just can't offer. Their loss, your gain.

No Minimum Term Contracts

We back our level of service with our no minimum term contract guarantee. This gives you the flexibility to change between different plans and services at any time without any fees as well as giving you the comfort that you can switch service providers at any time without early termination fees.

A Communications Partner

We believe in being a valued partner to our clients by offering honest and straightforward advice. We don't make the sale and run, we're here to stay, and we're here to do whatever we need to keep you happy.

Supporting your Local Community

Support a local community organisation of your choice by taking advantage of our unique community program whereby we will donate 2% of your total spend to the club or organisation of your choice. We already sponsor many sporting clubs through our community program and are always looking to sponsor many more!

Things You Should Know

1. All prices are quoted inclusive of GST. 2. Data usage will be counted in kilobytes, where 1024kb = 1 Megabytes (MB) or part thereof and includes both uploads and downloads. 3. 1 Gigabyte (GB) = 1000 Megabytes (MB). 4. Any unused data allowance cannot be rolled over. 5. Data allowance does not include services such as voice calls, VoiceMail, international SMS or MMS, Premium and Third Party SMS, MMS, Optus Zoo subscription content and Third Party content and applications, 13/1300, 19xx numbers. If you are able to access such services, your use of these will be charged at prevailing rates. 6. Excess data rate is \$0.02002 per MB where 1MB = 1024kb. 7. When overseas, international data roaming usage charges apply as extra (for charges refer to www.optus.com.au). 8. Some data cards are incompatible with networks in some countries. 9. Coverage: Optus 3G dual band is part of the Optus Open Network™ and refers to our 2100MHz/900MHz coverage. With 3G dual band devices coverage is available throughout the Optus Open Network™ in 3G dual band areas, subject to network availability. 10. Not available for sale in NT and TAS (excluding Hobart). 11. Before purchasing this product check Optus Open Network™ coverage in your area at optus.com.au/coverage. 12. Internet Fair Use Policy applies.
