

ADSL & ADSL2+ Broadband

ADSL or ADSL2+ Residential Broadband with Speeds Up to 20Mbps

- ✓ Australia's biggest network
- ✓ ADSL speeds up to 8Mbps
- ✓ ADSL2+ speeds up to 20Mbps
- ✓ Australian based technical support team
- ✓ 10 email addresses
- ✓ Monitor your data usage online

Choose what speed you want.

Simply choose between Fast Broadband (1.5Mbps) or Fastest Broadband (8Mbps or 20Mbps - as fast as your line can go).

Choose how much data you want.

Just select how much data you need over a month dependent on how often you use the internet and how much data you download.

Choose to be slowed down or charged extra.

If you want the peace of mind of a fixed price each month then simply choose to be slowed down once you reach your data limit. Or just pay for extra GBs.

Choose Your Plan

Monthly Plans	Standard 25 GB*	Giant 50 GB	Extreme 100 GB	Monster 250 GB	Elite 500 GB	Ultimate 1000 GB

Your Local Telecom

Why Choose Us?

We supply the best networks, backed up with our unbeatable personalised service, delivered without any contracts while supporting your local community.

One Bill

We're a full service telecommunications provider meaning we can provide all your communications on one single bill. So that's one simple payment per month and one company to deal with. Just makes life simple.

Direct Contact

When you're with us you'll have our direct contact details so if you've got a question you know who to come to. It's the kind of personal service the big telcos just can't offer. Their loss, your gain.

No Minimum Term Contracts

We back our level of service with our no minimum term contract guarantee. This gives you the flexibility to change between different plans and services at any time without any fees as well as giving you the comfort that you can switch service providers at any time without early termination fees.

A Communications Partner

We believe in being a valued partner to our clients by offering honest and straightforward advice. We don't make the sale and run, we're here to stay, and we're here to do whatever we need to keep you happy.

Supporting your Local Community

Support a local community organisation of your choice by taking advantage of our unique community program whereby we will donate 2% of your total spend to the club or organisation of your choice. We already sponsor many sporting clubs through our community program and are always looking to sponsor many more!

Things You Should Know

1. All prices are quoted inclusive of GST. 2. Broadband Minimum commitment over 12 months - \$599.40 (25GB plan), \$839.40 (50GB plan), \$ 959.40 (100GB plan), \$1,079.40 (250GB plan), \$1,319.40 (500GB plan), \$1,439.40 (1000GB plan). 3. FREE install for new services that have never previously been active with another provider. 4. Fast chum fee of \$44 applies for services churned from any provider who participates in the DSL/SSS transfer scheme. 5. Early termination fee, if you choose to cancel your service or it is disconnected for any reason within the 12 month contract term you will be charged an early termination fee of \$121. 6. Not available to all customers in all areas. "Fast" broadband will deliver speeds of up to 1500Kbps at selected exchanges where ADSL1 is available. "Fastest" broadband will deliver speeds of up to 20Mbps at selected exchanges where ADSL2+ is available and up to 8Mbps/384kbps in all remaining ADSL enabled exchanges. 7. DSL Speeds are theoretical maximum speeds based on Telstra tests. Actual speeds may be less due to a number of factors including network configuration, line quality & length, exchange type, customer premises interference, traffic, hardware and software. 8. If you have chosen a shaped plan, once you have reached your usage allowance, the speed of your service will slow to 256kbps. 9. Usage means monthly download data transfer, 1 Gigabyte = 1024 Megabytes. 10. If you have chosen an unshaped plan, excess data used will be charged at \$5.50 per GB in 1 Megabyte Increments. 11. A dynamic IP address will be provided with service. If a static IP address is required, customers will need to purchase a Business Broadband plan.
